# LEARNING EVENT SUPPORT

## Community-led Funding Opportunity Overview

*Supporting community-led learning events to build knowledge, skills, and networks among Wisconsin's health professionals.*

### FUNDING SUMMARY

AHW's Community-led Learning Event Support funding opportunity supports Wisconsin-based learning events that build knowledge, skills, and networks among Wisconsin's current and future health professionals

- Up to $5,000 is available per learning event to support direct, non-personnel, event-specific costs
- Applications are accepted on rolling first-come, first-serve basis from 7/1/2022 to 12/31/2023 until available funds have been distributed

### ELIGIBILITY

Events supported through AHW's Community-led Learning Event Support funding opportunity must be hosted by an eligible Wisconsin-based 501c3 or 501c6 organization, or a Wisconsin government-based entity or organization, and:

- Be held in the state of Wisconsin
- Engage participants who are primarily Wisconsin-based health workforce professionals and/or the next generation of leaders, including community and public health professionals and healthcare providers
- Aim to build participant capacity, knowledge, skills or networks that support participants to apply their learnings to their work
- Include an in-person learning component
- Be new or innovative events, or incorporate new topics and approaches to prior iterations of existing events
