## Save the Date: AHW Announces Statewide Behavioral Health Summit

*Join in creating an agenda for systems change at the second annual statewide summit on June 10*

We are excited to announce that the second annual [Advancing Behavioral Health Summit](#) will be held Monday, June 10 from 9 a.m. - 4 p.m. at the Kalahari Resort in Wisconsin Dells. This one-day event will once again bring together those working to improve behavioral health through an engaging, interactive day dedicated to strengthening our collective work and impact.

We invite you to engage in interactive sessions and to bring your experience and expertise to

collectively identify behavioral health priorities and opportunities for systems changes that are necessary to improve the behavioral health of communities across the state.

**Mark your calendars today! And stay tuned for registration and a detailed agenda coming soon.** There is no cost to attend, although advance registration is required as space is limited.
