Today: Join us for the Changemakers in Science Research Symposium

*This free, half-day event will showcase six novel investigator-initiated,
collaborative biomedical research projects supported by AHW*

On Thursday, October 31, the Advancing a Healthier Wisconsin Endowment (AHW) will host its third annual [Changemakers in Science](#) research symposium from 8:00 a.m. – 1:00 p.m. in the MCW Alumni Center.

All MCW and affiliate institution faculty, staff, and students are invited for a showcase of six novel investigator-initiated, collaborative biomedical [research projects](#) supported by AHW. Highlighting the event will be keynote speaker [Jesse M. Ehrenfeld, MD, MPH](#), senior associate dean and director of AHW. His talk is titled, “The Digital Medicine Revolution: How Technology Must Drive Quality & Safety.”

The event includes light breakfast and networking as well as a boxed lunch for registrants.
